5 Star Award Given to Falmouth by the Sea

Falmouth, Maine — US News & World Reports' 2012 Best Nursing Homes ranking gave Falmouth by the Sea their highest award for excellence. Nursing homes throughout the country receive an overall rating from the government based on a composite score from three distinct operational areas: health inspection, nurse staffing and quality care. *"We are extremely proud to receive this award for the hard work of our staff to provide the very best care possible for our residents."* Joel Rogers, Administrator, Falmouth by the Sea.
