American Health Care Association Recognition Awarded to Falmouth by the Sea

Joel Rogers Receives ACHCA's Eli Pick Facility Leadership Award

Falmouth, ME - The American College of Health Care Administrators (ACHCA) honored Joel Rogers, Administrator of Falmouth by the Sea, with the 2014 Eli Pick Facility Leadership Award. The leadership award was celebrated during the awards luncheon at ACHCA's 48th Annual Convocation and Exposition in Las Vegas, Nevada. 276 administrators were awarded leadership awards nationally, representing less than two percent of licensed administrators in the United States.

Mr. Rogers was one of 234 recipients who received the Eli Pick Facility Leadership Award with virtual recognition. Based on the premise that facility excellence is a reflection of leadership excellence, this award recognizes the Administrator of record who provided that leadership throughout the award year. Eligibility for this award is based on three years of skilled nursing facility (SNF) survey data, including the Health, Fire (Life Safety), and Complaint Surveys, as well as top quartile performance on designated Quality Measures. The criteria also included an 80% or greater facility occupancy and a three year avoidance of a Special Focus Facility status. This prestigious award is made possible with the support of eHealth Data Solutions.

This award is in memory of Eli Pick who was a consummate member of ACHCA, dedicated to advancing professionalism and leadership in long term care.

Founded in 1962, the American College of Health Care Administrators (ACHCA) is the only professional association devoted solely to meeting the professional needs of today's long term care administrators and executives. Focusing on advancing leadership excellence, ACHCA provides professional education and certification to administrators from across the spectrum of long term care.
